“We hosted our rehearsal dinner party at Border Grill Forum Shops and had the most amazing experience from start to finish – Denise Collins took amazing care of us, accommodating our every request – including building a paper flower wall, which she singlehandedly created on our behalf! The food was incredible and our guests had the best time. Top notch customer service, quality food and fair pricing – I would absolutely host another event at the restaurant and recommend it to others.”

“I can't say enough good things about Denise Collins and Border Grill! She went all out for my wedding reception and we were not disappointed at all! She added a lot of little details that made our event so special. She included a cake table, a gift table, Mr and Mrs forks and plate, beautiful flowers, floating candles and the whole nine. My guest could not stop raving about how good the food was! It was absolutely delicious. Denise suggested that we do stations and it was a great suggestion. My guests were allowed to go up as many times as they like, we did not feel rushed and it was very intimate. I could not have asked for anything more. Thank you so much Denise and Border Grill I will never forget how special you made my reception!”

“I held my wedding reception here and received top notch service. They made every accommodation possible which made a stressful day much easier to handle. Their private dining area has a bar and easily hosted a party of almost 100 people. The food is great, we had numerous guests express how much they loved the chicken enchiladas. The event coordinator Denise is very accessible and went above and beyond to make our special day even more memorable.”

“We decided to have our welcome reception for our wedding at Border Grill on March 1, 2017. I am so glad we did! It was a fantastic experience! We didn't want a traditional rehearsal dinner, but we did want to host an event to welcome everyone that traveled to our wedding to Vegas. Denise at Border Grill helped us to set up the perfect event with passed appetizers, chips and salsa and beer and wine. The area we had reserved gave us plenty of space for our guests, she put flowers on all of our tables and the atmosphere was great. All our guests raved about the food and how good it was. The staff was welcoming and accommodated all of our guests with a smile on their face. I would definitely recommend booking an event at Border Grill.”

Every attendee raved about the food and atmosphere, it was a flawless evening.”
